SIMLOG

Heavy Equipment Simulation Training

Teach Heavy Equipment operations safely and affordably with Simlog's 10 PC-based Personal Simulators for Construction, Mining and Forestry. Each simulator leverages the power of today's off-the-shelf (Windows) PCs to finally provide truly cost-effective help for training heavy equipment operators. Choose the USB-ready replica controls or the OEM Industrial Chair option and you can begin training in minutes!

Add Simulation Manager software to track each students results and competencies as they progress through the training.

With Simlog, your students will be learning the right way to do things, thanks to "best practices" input from our OEM partners and training professionals just like you. So you'll find the right kind of simulated tasks, the right kind of task progression, and the right way of evaluating the simulated work.

Getting Started is Easy!

- Select the Personal Simulators that fit your program
- Choose the right USB Replica Controls for your setup
- Identify a suitable desktop or laptop PC and video display
