

WELCOME TO A NEW ERA IN 3D SCANNING

Your 3D scanning experience has never been this complete, this balanced, or this awesome.

Say hello to our new generation of professional-grade 3D scanners

peel 3

An affordable turnkey and professional-grade 3D scanning that packs a jaw-dropping punch. Get your 3D scanning job done right the first time.

Ideal for:

- Heritage preservation and art
- AR, VR and digital content
- Healthcare
- Education

peel 3.CAD

Reverse engineer like a boss. With peel 3.CAD, you can extract all the info you need and send it right to your fave CAD software.

Ideal for:

- Aftermarket and tuning
- Product design
- MRO and engineering

Look how easy it is!

1 Scan the object

2 Finalize mesh

3 Extract* entities and surfaces

4 Transfer* to CAD software

*With peel 3.CAD only

We've got a 3D scanning solution for your industry
